I AM JEWISH
An Evening of Inspiration

UPTOWN CHABAD BENEFIT EVENING
June 16, 2010 - 4 Tamuz 5770
ONTARIO SCIENCE CENTRE
He was born during the War of Independence, together with the State of Israel in May, 1948. Efraim, commonly known as Steve Samuel, is the son of a mother who survived Auschwitz and a father who, as a British soldier, liberated his own father from Dachau. With his family, Steve emigrated to Canada in 1960.

After graduating from the University of Toronto's Faculty of Medicine, Steve completed his residency in 1980 and became a Fellow of the Royal College of Physicians and Surgeons of Canada in Plastic Surgery.

Dr. Samuel has served as Chairman of the Section on Plastic Surgery of the Ontario Medical Association and is a respected leader in his field. In 1976, Steve married Kathy. They are the proud parents of four children and one grandchild. Two more are expected soon, G-d willing.

At the centre of Steve's life is his passion and concern for the future and safety of Am Yisrael, the Jewish Nation. Not one to be easily intimidated, Steve's proactive approach to confronting the adversaries of the Jewish people is making a difference. Doctors Against Racism and Antisemitism (DARA) is an organization comprised of healthcare professionals who challenge lies and hate in the medical world, as well as academia. As Chair of DARA, Steve's infectious enthusiasm has inspired others in the professional community to be informed and mobilized during these crucial times. Uptown Chabad is privileged to bestow the Community Activist Award upon this most deserving recipient.
